शिक्षाविदों ने बताए दवाइयों के उपयोग के तरीके

रायपुर. इमरतालाब स्थित रॉयल कॉलेज ऑफ फार्मेसी में टेड्रिशनल नॉलेज एंड बायोडायवर्सिटी ऑफ छत्तीसगढ़ विषय पर दो दिवसीय सेमिनार के पहले दिन शुक्रवार को शिक्षाविदों ने विद्यार्थियों को आयुर्वेदिक और हर्बल प्लांट को जानने और दवाइयों के उपयोग के तरीके बताए। इसमें ओडिशा विश्वविद्यालय के प्रोफेसर डॉ. सागर कुमार मिश्रा, बिलासपुर विश्वविद्यालय के प्रोफेसर रितेश जैन और पं. रविशंकर शुक्ल विश्वविद्यालय के प्रोफेसर संतोष कुमार शामिल हुए।

Students

The student community comprises a good mix of boys and girls from various districts of Chhattisgarh. The progress of the students is being continuously monitored by faculty advisors through necessary counseling and personal attention. The progress reports of the students are completely computerized and are made available both on Internet and Intranet.

Faculty

The qualified teaching staff of Royal College of Pharmacy carved a niche for themselves by their excellent teaching, punctuality, dedication and motivation. This has been achieved by stringent selection procedure, faculty development programs and continuous monitoring and evaluation. Departmental Head and senior faculties, continuously monitor the performance of the newly joined faculty and guide them on how to deliver excellent lectures. At the end of each semester feedback from the students are obtained to ascertain the quality of faculty. Only the best faculty is retained.

Laboratories

We have well equipped laboratories which match the technological advancements and the syllabi by the concerned University. Quality and quantity is never compromised.

Equipments and Instruments:

The college machine room has various machines used in the pharmaceutical industries at different stages of production, quality control and packing. Tablet machines, coating and polishing pans, bottle filling machines, and Q.C. instruments like friability tester and Dissolution test apparatus are the important one, apart from other modern and sophisticated machines and other instruments to update the facilities. Important equipments and instruments added recently include colorimeters, single pan balance, pH meter, refractometer, conductivity meter, BOD incubator, laminar air flow, convulsimeter, analgesimeter, UV spectrophotometer and HPLC etc.

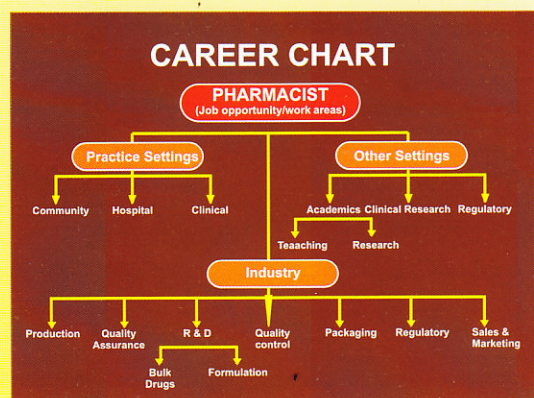

Library

Spacious Library, with state of the art furniture, good ambience for study, large number of textbooks, reference books and reputed journals.

Cultural Activities & Sports

We know and subscribe to the adage that "All study and no play makes jack a dull boy." In other words, an all- round personality development needs, besides curricular activities, a requisite dose of sports and cultural activities as well. We, at RCP, encourage students to take part in intra and inter college competitions in sports and cultural activities. In its existence of such a short period, our students have already won several laurels in both the fields making us visible in the city among various Institutes of similar stand. Talented students are never disappointed at RCP. Excellent play fields in the campus for playing games such as Cricket, Volleyball, & Badminton. Facilities for indoor games such Chess and Carom are also available.

Government Sector	Private Sector	Self Employment
