Notice

Dear All

As you know, the filling of Examination Form for Apr-May 2020 exams commences in April 2020. The students who have access to the internet at home are advised to fill the form in April 2020. The students who do not have access to internet at home, they should not go out of house to fill the form in any case.

In this regard, it is announced that there would be no late fees in filling the examination Form and the students should wait for the future announcement by the University for Submission of the forms.

College has to ensure to pass on this information to all students without fail through any communication available. In fact, it is mandatory for each and every institute to circulate this message across all students of their college as a precautionary measure for containment of COVID-19 while informing them about the filling of Examination Form for April-May 2020 Examinations.
